

1 THE CHAIRMAN: Delegate Scanlan doesn't have  
2 any time right now to answer any questions. He may later.

3 DELEGATE BENNETT: I have no real objections  
4 to this. Knowing human nature as I do, I know it is  
5 very easy to create resentments, by the way one votes, and  
6 if he happens to be on the losing side, there is no  
7 question but that there can be reprisals against him in  
8 the legislative body and I think a man ought to be entitled  
9 to vote his views in secret.

10 THE CHAIRMAN: Delegate Sherbow?

11 DELEGATE SHERBOW: Mr. Chairman and ladies  
12 and gentlemen of the committee, I think we have been  
13 striving now for nearly 80 days to bring the legislature  
14 up to where it belongs, co-equal with the executive and  
15 the judicial.

16 I know of nothing that we could do that  
17 would drop it further back that would permit this kind  
18 of a situation to develop where at the very beginning  
19 of the session, voting on those who are going to conduct  
20 the sessions, we don't have the members stand up and be  
21 counted publicly on a matter as vital as this.
